MASTER OF 1ST LEVEL IN
ILLUSTRATION FOR PUBLISHING

NOTICE ACADEMIC YEAR 2024-2025

The Academy of Fine Arts of Macerata activates in the Academic Year 2024-2025 ARS IN FABULA, 1ST LEVEL ACADEMIC MASTER IN ILLUSTRATION FOR PUBLISHING (hereinafter named AIF MASTER) in collaboration with the AIF srl.

The organizational and didactic secretariat of the master is assigned to: AIF srl,
Palazzo Compagnoni Marefoschi, Via Don Minzoni 11, 62100 Macerata - Tel +39 0733 231740
e-mail: info@arsinfabula.com.

OBJECTIVES

The AIF MASTER advanced training is aimed at the training and the professional valorisation of the illustrator, involving leading figures in the publishing world, with whom students can talk about concrete themes and projects. An intrinsic part of AIF MASTER is the relationship with the world of work. Each student will work on an editorial commission (book project) assigned by the publishers who collaborate with the master, selected among the most important in the publishing scene. The work will go through all the stages of a real editorial commission and the students will be guided by the teachers and tutors of the course. The final work will be evaluated by the publishers and with their final decision, the eventual publication will be decided.

In this case, publishers will enter into regular contract and agree with them about fees and royalties. Nothing will be due to the organizers of the master.

ADDRESSEES

AIF MASTER is addressed to those who have a university degree or academic degree of first level, preferably of the artistic, architectural, advertising graphics area, coming from Italian or foreign Institutes of Higher Education (Universities, Academies, ISIA, IED), of which a corresponding qualification is acknowledged.

You may also be admitted to the Master even if you don't have a university degree, in which case the credits/ECTS will not be recognized at the end of the course.

SELECTION

The number of admitted to the Master is 25 students in addition to the winner of the Ars in Fabula Grant Award; the course will not be activated unless the minimum threshold of 15 admitted is exceeded. The selection of the participants will be based on the curriculum vitae et studiorum together with the evaluation of the artistic portfolio and the individual interview.

The selection will be made by the Scientific Didactic Committee of the course remotely via e-learning platform. The dates of the selection will be announced with a special notice both on the website of the Academy (www.abamc.it) and on Ars in Fabula website (www.arsinfabula.com).

DURATION AND TITLE

The master has an annual duration, from October to October of the following year, with a total commitment of 1.500 hours. Passing the final exam will decree the achievement of the title **ACADEMIC MASTER IN ILLUSTRATION FOR PUBLISHING** and the acquisition of 60 credits/ECTS.

The commission for the final evaluation will be formed by the Scientific Didactic Committee (CDS), and by the editors. The vote will be expressed by mediating the evaluations obtained by the candidate (relating both to the attendance to the front lessons and to the results obtained in the partial evaluations of the individual learning modules) with the profit valuation obtained for the final synthesis work presented.

For the title recognition, a minimum of 75% of frontal lessons is required. If you were unable to complete the minimum attendance required at the Master, the Fine Arts Academy of Macerata will recognize the credits acquired through the attended course, but won't grant you the Master title.
